RE: High Street Closure on Halloween (October 31, 2019) from 5-8 pm

Given the increased popularity of the High Street neighborhood and to account for all of the trick or treaters that frequent this neighborhood, we have decided to close High Street and surrounding secondary roads to vehicular traffic from 5-8 pm on Thursday, October 31, 2019.

We have many wonderful neighborhoods in Ipswich that our residents and children enjoy to trick or treat in, and that will continue to be the case this year. We are going to try this closure this year and see how it goes, and like all of our town events, we will assess how it went and then decide if we want to do it next year. We will notify everyone when the Select Board will be addressing this road closure at an upcoming Select Board meeting after Halloween.

The street will be closed from 5-8 pm on October 31, 2019, but residents will still be allowed to get to their homes during those hours. A map of the street closures has been included with this memo; please contact the Town Managers office at 978-356-6609 or via email at tm@ipswichma.gov if you have additional questions.

The Town of Ipswich wishes you a safe and Happy Halloween!
